Invitation to Join Western Plastics Pioneers

The purpose of *Western Plastics Pioneers* ("WPP") is to preserve the history of the plastic industry in the Western United States, promote industry initiatives, recognize historic contributors, and provide scholarships to deserving students preparing to enter the plastics industry.

We endeavor to recognize the efforts of individuals as industry pioneers and the significant contributions of those responsible for establishing, creating, and developing our industry.

Our members must qualify for membership by having worked with thermosets or thermoplastics in the field of sales, marketing, management, technical, additives, materials, equipment, manufacturing, or any combination thereof in the plastics industry for at least 15 years. *WPP* members can be actively employed or retired.

Based on your experience, years of service, and contributions to the plastics industry, you are an ideal candidate to join our organization. Therefore, the *Western Plastics Pioneers* Board of Directors would like to invite you to become a member.

Please visit our website at www.westernplasticspioneers.org where you can view the depth and breadth of our organization. Annual membership is \$45.00/year and enables you to be become part of this great plastics organization and support our education and scholarship programs.

Our social events include the **WPP Annual Luncheon**/raffle, wine tasting/dinner, Pageant of the Masters/ dinner and other social events which provide members the opportunity to renew relationships with industry colleagues and friends. We encourage members to attend, however, not necessary for membership. During our annual luncheon we honor inductees into the *WPP Hall of Fame* and recognize the recipients of our annual college scholarships.

Please complete this membership application along with your check made out to **Western Plastics Pioneers** and mail both to Jeff Lawrence, 2436 E. Orangeview Lane, Orange, CA. 92867.
